

INTERNSHIP DEFINED

This internship program is being offered by Serving Jesus Willingly Urban Ministry, a national urban ministry out of Springfield, IL. The ministry will work with the accepted applicants to provide a meaningful and viable learning climate. The ministry will also raise the necessary support to underwrite the entire 90-day internship. The accepted applicant will be responsible for maintaining records on all income committed to their support, receipting such income to the donor, making monthly reports to the donors and the ministry. The internship will include a complete overview of what urban ministry is all about. The intern will learn networking within the community, outreach within the community Bible teaching and training within the community, working within the correctional community, preaching, teaching, and everything necessary to effectively direct an urban ministry. This will include training for working cross-culturally with many bi-racial groups, housing will be arranged for each selected intern through the ministry office. Each intern will be expected to be available, accountable, courteous, loyal and fully dedicated to the cause of Christ. Applications with complete information should be mailed to:
